Notice

The alarm system that we have installed uses a telephone line. Therefore, if you change the telephone company or the phone does not work, you must contact us unconditionally in advance. Otherwise you must take full responsibility for it when your actions cause any problems.

You have a right to use all devices and system panels that we have installed. However, you cannot transfer or sell any of them. In addition, there is an incurred extra expense in case of loss and we will charge \$800 on product costs.

A month's warning will be given, if the maintenance and service fee is not paid while using the alarm system. Over the warning time we can remove all devices and system of alarm anytime.

If you want to cancel the system for various reasons such as no longer using or moving, etc, you have to inform us before 6 months in advance to remove alarm system. Otherwise, you have to pay for 6 months using fees.
